

Alzheimer's Support Auxiliary for People (ASAP)  
A Volunteer Organization

The ASAP (Alzheimer's Support Auxiliary for People) is a group of women who have come together to support the work of the Alzheimer's Alliance of Northeast Texas. Proceeds from the Auxiliary's projects help fund education, research, support and guidance for families affected by Alzheimer's in the sixteen county area the Alliance serves. In addition, ASAP advocates politically for the medical, social, and financial needs of those affected by Alzheimer's disease.
